Kesgrave Panthers Cycle Speedway Club - Training - Under 8s (and younger) plus new riders (Mar - Nov)

Monday: 18:15–19:15

What is Cycle Speedway - Short oval shale tracks, four riders head-to-head. Explosive, elbow-to-elbow action. No brakes. That's cycle speedway in a nutshell. It's also accessible, affordable, family-oriented and taking place in clubs throughout the country.

Our friendly club has been in existence for over 60 years and has a thriving membership.

We pride ourselves on our excellent track record of national success, especially with our club's youngsters.

The club has a dedicated team of helpers and supporters, who arrange numerous training and competition events.

To have a go its completely FREE, just come along to our new riders sessions which start at 6:15pm on Mondays. Please come with a long sleeve shirt and long trousers. If possible, bring a cycle helmet and gloves (although these can be borrowed at the club). You can also borrow one of our club cycle speedway bikes.
