Armed Forces

Kesgrave & District Royal British Legion

Introduction

The Royal British Legion provides financial, social and emotional support to millions who have served and are currently serving in the Armed Forces, and their dependants. Currently, nearly 10.5 million people are eligible for support.

The Legion was founded in 1921 as a voice for the ex-Service community and over 450,000 members continue to ensure that this voice does not go unheard. Although the needs of ex-Service people have changed over the years, they are still there to safeguard their welfare, interests and memory. British service people are in action around the world every day of the year. They know that if they need support - now or in the future - the Legion is always on active duty for them.
