Tennis Courts and Clubs

Kesgrave Tennis Club

Introduction

You can enjoy tennis, coaching and club play sessions throughout the year (as long as the weather conditions are suitable for safe play).

We have four, all-weather courts, floodlights and a cosy clubhouse with modern facilities. Members can easily reserve courts, and book coaching on-line.

Club nights take place every Wednesday, from 7-10pm. They are open to all abilities and new-players are welcome to come for a free session.
