Ability School of Dance (Autism Movement Therapy - 7-18 years)

Saturday: 10:00–11:00

Introduction

We offer specialised, inclusive opportunities to dance, for individuals of all ages and abilities.

Our classes are specifically tailored to suit those from a wide selection of marginalised groups, who may not otherwise have the opportunity to experience the benefits of dance.

Our manager/teacher is trained in Autism Movement Therapy and has vast experience in working with individuals with additional needs.

All assistants/volunteers take part in a training day in which they learn all about autism and our work and policies.
