Baby Ballet Grovers (4.5-6 years)

Saturday: 10:25–11:15

Introduction

Babyballet dance classes give every child from six months to six years the chance to dance and have fun!

Babyballet dance classes are bringing joy to thousands as we make learning to dance an unforgettable and magical experience – for you and your little star.

From six months to six years, our babyballet classes will give your child the chance to dance, gain confidence and shine, in a fun, caring and supportive environment. By learning through play, our qualified and welcoming teachers give babies, tots, toddlers, preschoolers and young children the chance to dance in their own unique way, having fun and making friends along the way.

For your added reassurance, all our ballet lessons are linked to the Early Years Foundation Stage Framework (EYFSA), making them the perfect activity choice for you and your child.

Get a three-week introductory trial for just £15. The trial is the perfect introduction to babyballet, giving you and your child the chance to try out our ballet and tap classes before signing up to a full term.

Following the trial, our fees are £6.00 per class for babyballet tots, tinies and movers. Our babyballet groovers classes are £6.50 per class, payable by monthly direct debit.
