Dance Easy - Improvers Class

Monday: 20:15–21:15

Introduction

This class is for dancers who have completed our Beginners Class or have danced before.

We will be concentrating on improving and adding to all dances taught at beginners level.

A good basic knowledge of the Waltz, Tango, Social Foxtrot, Quickstep, Rumba, Cha Cha Cha and Jive are necessary for this class as we will be building upon these basics as well as introducing the Samba and Ballroom Foxtrot. Technique such as footwork, timing and alignments will be revised and learnt.

If you attend this class please try to come along for the social/practise time in between each class.

We do not have any set timetable for this class we work on whatever is needed at the time. We usually work on 2/3 dances during the course of the lesson.
