Jo Jingles (3m to walking)

Thursday: 11:00–11:45

Introduction

Babies from around 3 months of age love Jo Jingles! Your baby can attend these classes until they are walking or are confident enough to join in with the more active toddlers in the older class.

Babies enjoy our gentle and relaxed introduction to singing, musical instruments and movement. Parents/Carers can join in as much or little as they like - the more enthusiastic you are, the more your baby will benefit.

Baby classes involve lots of gentle lap, sitting songs and tactile actions.

Jingle Babies classes help to develop babies' three main senses:

Sight, Sound and Touch. Simple movement is introduced and bouncing, lifting, carrying, cuddling and tickling are always very popular.

Our Baby Fun Time session includes the use a variety of props and bubbles.....loved by babies and enjoyed by adults too!
