

**SUFFOLK
LIBRARIES**

**The Device to your Door scheme
is a laptop loan service to help you
get online at home. Find out how...**

We can help if you need to get online for:

- **Universal Credit Applications**
- **Job seeking**
- **School work**
- **GP appointments**

Device to your Door is a new scheme offering the loan of a laptop for 48 hours. You'll also get a 4G USB dongle so you can access the internet.

You'll need a Suffolk Libraries account to take advantage of the scheme and we can help you set that up too.

To book a device please call 07735 609303. This number is staffed from 9am to 12pm Monday to Friday and you can leave a message outside these hours. You can also email devicetoyourdoor@suffolklibraries.co.uk

Our staff will check availability in your area and agree a 48 hour slot. The laptop will then be delivered to your door on the agreed day and collected at a specified time two days later. All devices are cleaned after use and delivered in a Covid safe manner.

To borrow a laptop you'll need to agree our terms and conditions which we'll go through when you call.
