# Fires

**What to do if theres a fire in your home**

**If a fire starts in your house get out, stay out and dial 999 and ask for the Fire and Rescue Service.**

If you **call 999** give:

- the operator your **full address**
- details of **building** on fire, for example a two-storey house
- details of **anyone** still **trapped** in the building and the room they are in
