Salting, Gritting and Clearing Snow

Introduction

Suffolk County Council Highways is responsible for the delivery of salting, gritting and clearing snow in Suffolk.

The exceptions to this are trunk roads which are the responsibility of Highways England.

Further Details

Details of how they deliver the salt, roads that are gritted etc can be found on their website along with a video at:

-  www.suffolk.gov.uk/gritting

Highways news, gritting info & service updates can be found at:
