Each individual walk is described in detail together with places of interest. They have been updated in 2020 to reflect changes in footpaths and access.

Most of the walks can be accessed on foot from Kesgrave or via route 66 buses for Martlesham and Ipswich residents. Bus details can be obtained from Traveline. Suitable access links from Kesgrave and the outer parishes are shown on the map for those who would rather walk than go by car to the start of each walk.

When using the walks please follow the Countryside Code and don't use bicycles on public footpaths. The following Ordnance Survey maps cover the walks: Landranger 169, Explorer 197.

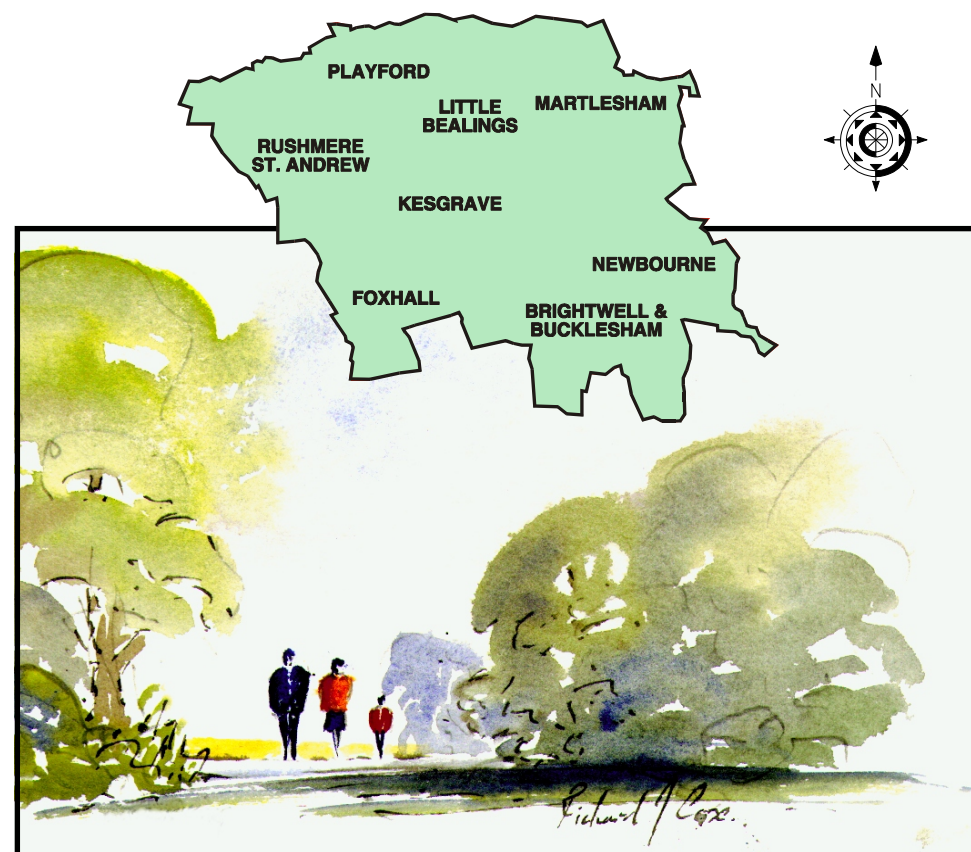

Should you come across any problems whilst using any of these walks or have any questions, please contact Kesgrave Town Council.
